

# “A single tap can begin big change”

1. Someone makes a payment

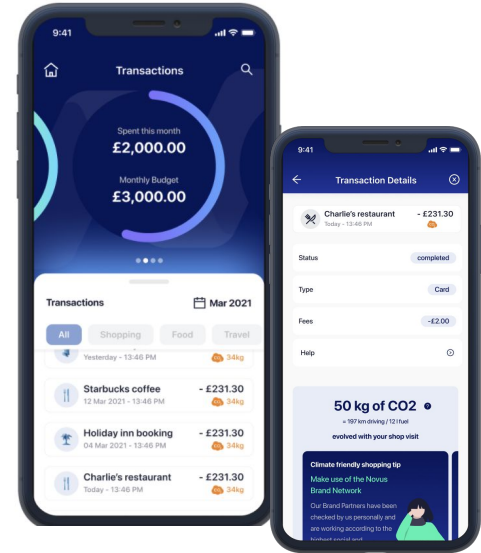

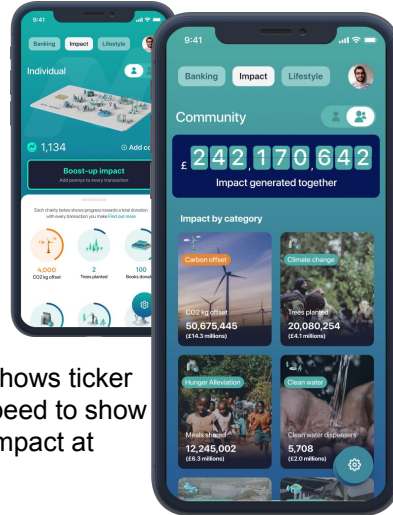

2. Impact of payment pops up on screen

4. Going into the app to see the impact. 3D representation of the impact

3. App screen showing the impact and the CO2 footprint at a transaction level.

5. app screen shows ticker increasing at speed to show the collective impact at scale

6. Zoom out to see planet with 3D icons popping up to show the good happening around the world
